

Resume

Guilherme Santos da Silva

Front-end developer

Profile

I'm a hard-working and dedicated IT student/freelancer equipped with a diverse and promising skillset and an eye for detail and accuracy. I'm able to effectively self-manage during independent projects as well as collaborate as part of a productive team, to which I can also offer well-developed analytical skills, commitment to deadlines, and good teamwork abilities.

I am currently looking for an internship where I can gain experience and more knowledge.

Education

Elementary to high school, Colégio Santa Doroteia, Porto Alegre

2007 – 2016

Maintained a partial scholarship with good grades until graduation.

Quatrum English Schools, Porto Alegre

2011 – 2015

Graduated with high honors.

Game design, UniRitter, Porto Alegre

2018 – 2019

Took a semester in the game design course after earning a scholarship. Excelled more at programming than the artistic aspects of some classes.

Technical IT course, QI College & Technical School, Porto Alegre

2022 – 2023

My interest in programming quickly evolved into a passion for front-end development, where I found potential and a new talent.
